Dear Clerk

I am hereby submitting the following for filing: Notice of Hearing and Motion to Substitute.

I am currently in the process of getting a CM/ECF registration and was told I can do an emergency filing at this e-mail.

Will this be electronically served on all parties? Will I receive back file stamped copies?

If you have any questions, please call me at 661-478-3103 or you can email me directly.

I look forward to your response.

Thank you.
